Feld & Co. LANEWAY.

The laneway is a communal area so we need to always be mindful of our neighbours. We need to allow 24 hour access to all units at all times.

Feld & Co (Unit 6) BINS - put all rubbish in these bins after event.

Do not put rubbish in other units bins

PARKING RULES:

The other units in this laneway are 9-5pm businesses. Please do not use their car parks before 5pm on any given day.

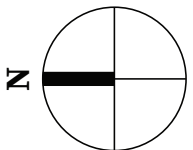

(Sunday is the exception)

After 5pm you may use all the marked car bays. Please don't block off any access to any unit.

CAR PARKS:

5 car bays in front of Unit 6
17 car bays available in laneway after 5pm
32 car bays available in whole precinct after 5pm.

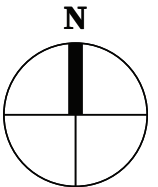

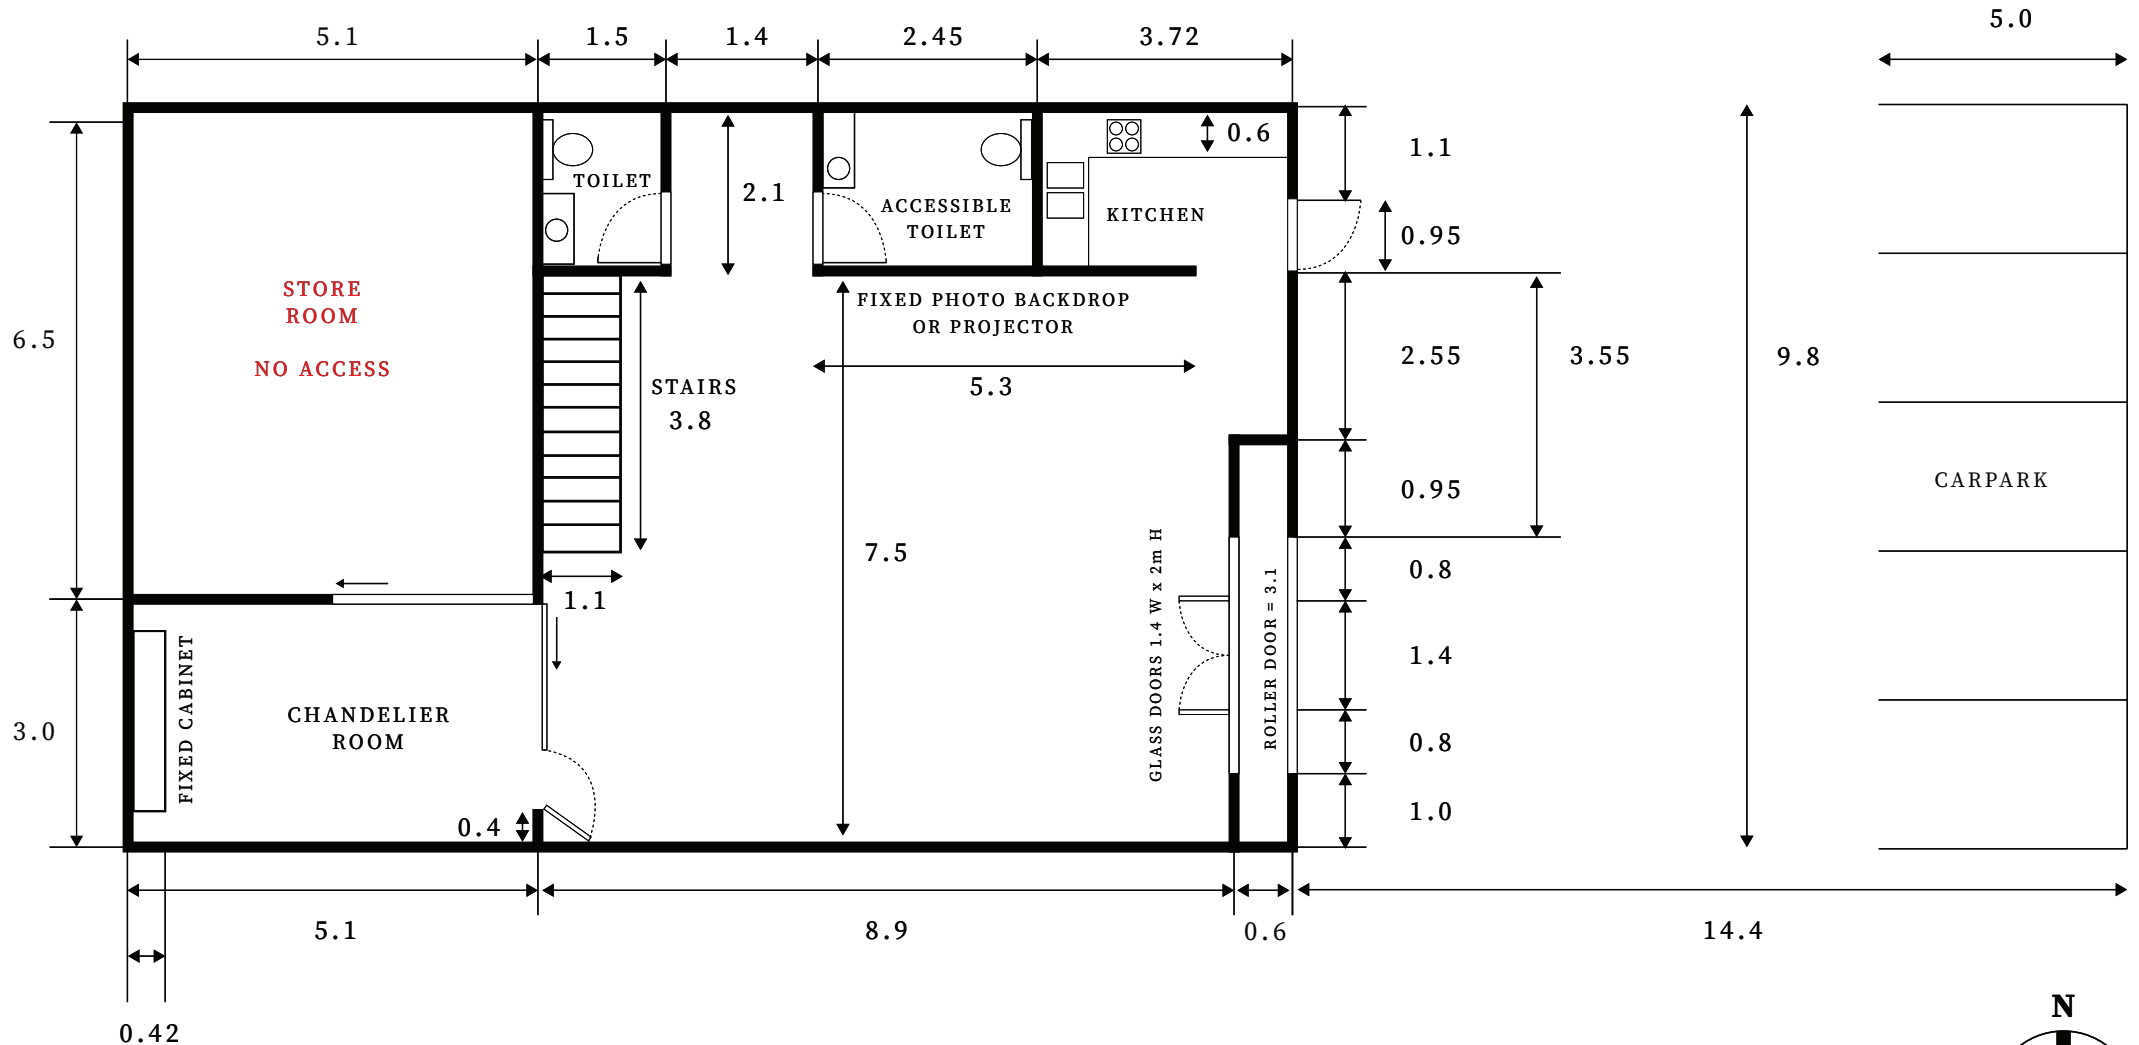

We are in an industrial area, where other businesses close at 5pm, therefore heaps of available parking after 5pm.
